I was contacted again today by William Hatcher, Regional Director U.S. Census Southeast in Charlotte, N.C. Asking for workers for the Census Bureau. They are in need of people for address listers, office clerks, recruiting assistants, crew leaders and field operations supervisors. They will be developing address lists for the 2010 Census.

Please pass the word to anyone that might want a job or knows someone else that might be interested. Here is their chance to make sure their American Indian/Alaska Native Brothers and Sisters get counted in 2010.

If you need any help, please call me at 1-423-245-7403 or email me at bjnucks@yahoo.com. You may also call Ruth Knight Allen in Memphis, Tn. at 1-901-685-8135 or e-mail her longwlker@aol.com
